

Username Hunting

- There is a website called "namechk.com" to see if a username is available:

The screenshot shows a grid of 48 icons representing various platforms and services. The icons are arranged in a 6x8 grid. Some of the visible icons include Facebook, YouTube, Twitter, Blogger, Twitch, TikTok, Shopify, Reddit, eBay, WordPress, Pinterest, Yelp, Slack, GitHub, Basecamp, Tumblr, Flickr, Pandora, Product Hunt, Steam, MySpace, Foursquare, OkCupid, Vimeo, Etsy, SoundCloud, BitBucket, CashMe, DailyMotion, About.me, Disqus, Medium, Behance, Photobucket, Coderwall, Fanpop, deviantART, Good Reads, InsanelyTech, Keybase, Kongregate, LiveJournal, Mix, AngelList, OS last.fm, Slideshare, Tript, PayPal, Dribbble, Imgur, Flipboard, Vk, Kik, and Codecademy. To the right of the grid, there is an advertisement for Shopify with a 'Start Free Trial' button. Below the grid, there is a small image of two people looking at a phone.

- Another one called "whatsmynameapp.com"

The screenshot shows the interface of whatsmynameapp.com. At the top, there is a search bar with the text "thecybermentor". Below the search bar, there is a section titled "Welcome to WhatsMyName" with instructions on how to use the tool. The main area displays a grid of account findings for the user "thecybermentor". The grid includes entries for Keybase (Category: social, Account Found), Spotify (Category: music, Account Found), Medium (Category: news, Account Found), Twitch.tv (Category: gaming, Account Found), Telegram (Category: social, Account Found), Patreon (Category: finance, Account Found), Internet Archive.. (Category: misc, Account Found), reddit (Category: news, Account Found), Twitter (Category: social, Account Found), and others. To the right of the grid, there is a table titled "Found Accounts" showing a list of sites where the username was found, such as archive.org, keybase.io, medium.com, patreon.com, reddit.com, open.spotify.com, t.me, passport.twitch.tv, and shadowban.eu. The table includes columns for SITE, CATEGORY, LINK, and a search bar. At the bottom of the page, there is a progress bar indicating "00:03:36" and navigation links for "Previous" and "Next".

- "NameCheckup.com":

The screenshot shows the homepage of NameCheckup.com. At the top, there's a navigation bar with links like "Share", "Thesaurus", "Feedback", "About", and "EN". Below the navigation is a search bar with the placeholder "Enter username here" and a blue "Search" button with a magnifying glass icon. Underneath the search bar is a link "Need name suggestion?". To the right of the search bar are social sharing options: "Share" with a Facebook icon, "Tweet" with a Twitter icon, and another "Share" option with a small globe icon. A banner at the bottom of the page advertises "\$1.00/mo Managed WordPress hosting! Everything you need to succeed online! On sale!" with a "Start Now!" button. Below the banner is a grid of domain suffixes: .com, .net, .org, .co, .biz, .io, .at, .us, .me, .co.uk, .eu, .info, .xyz, .live, .pro, .am, .tv, .shop, .life, .ch, .today, .in, .club, .cc, .tech, .site, .online, .store, .space, .website, .vip, .host, .press, .digital, .guru, .de, .ltd, .tk, .nl, .ca, .tw, .fun, .ws, .work, .tools. A legend indicates that green squares represent "Available", grey squares represent "Taken", and yellow squares represent "Invalid". Below the grid is a section titled "Usernames" with a horizontal bar showing social media links: Facebook, Twitter, YouTube, Instagram, TikTok, Pinterest, Reddit, Flickr, Medium, Twitch, Tumblr, PayPal, GitHub, Discourse, About.me, Meetup, Periscope, and Patreon. The OpenDir.cloud watermark is visible in the bottom right corner.

- "kik.me" for more usernames (such as those of mobile):

The screenshot shows a Kik profile page for a user named "Virginia thompson". The profile picture is a placeholder silhouette. The name "Virginia thompson" is displayed below the picture, followed by the handle "mav". A "Start Chatting on Kik!" button is present. Below the profile is a list of instructions: 1. Open the app store on your phone, or go to kik.com and download Kik. 2. Create your own awesome Kik account. 3. Tap the "Chat" icon in the top-right. 4. Enter their username: **mav**. The OpenDir.cloud watermark is visible in the bottom right corner.
